## **Independent Auditor's Report**

City of Elkins  
Randolph County, West Virginia  
401 Davis Avenue  
Elkins, West Virginia 26241

To the Mayor and Members of Council:

### ***Report on the Audit of the Financial Statements***

We have audited the accompanying financial statements of the governmental activities, business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Elkins, Randolph County, West Virginia (the City), as of and for the year ended June 30, 2024 and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Elkins, Randolph County, West Virginia as of June 30, 2024, and the respective changes in financial position, cash flows thereof and the respective budgetary comparisons for the General and Coal Severance Tax Fund for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the *management's discussion and analysis* and information related to the defined benefit pension plan and OPEB liabilities to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. Management has omitted the *management's discussion and analysis* that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Our opinion is not modified with respect to this matter.

### **Supplementary Information**

Our audit was conducted to opine on the City's financial statements taken as a whole. The introductory section presents additional analysis and is not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purpose of additional analysis is not a required part of the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Matters**

Management is responsible for the other information included in the annual report. The other information comprises the introductory but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 8, 2025, on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation exceeded capital asset additions in the current period.

|                           |           |          |
|---------------------------|-----------|----------|
| Capital Asset Additions   | 370,683   |          |
| Current Year Depreciation | (467,100) |          |
| Total                     |           | (96,417) |

Governmental funds only report the disposal of assets to the extent proceeds are received from the sale. In the statement of activities, a gain or loss is reported for each disposal. This is the amount of the proceeds from the sale of capital assets and the gain on the disposal of capital assets.

|                                          |          |   |
|------------------------------------------|----------|---|
| Proceeds from Disposal of Capital Assets | (58,079) |   |
| Gain on Disposal of Capital Assets       | 58,079   |   |
| Total                                    |          | - |

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**1. Summary of Significant Accounting Policies**

The City of Elkins, West Virginia is incorporated under the provisions of the State of West Virginia. The City is governed by an elected mayor and a ten member council, which provides the following services as authorized by its charter: public safety (police and fire), streets, sanitation, water, waste, recreation, education, public improvements, planning and zoning, and general administrative services.

The remainder of the notes are organized to provide explanations, including required disclosures, of the City's financial activities for the fiscal year ended June 30, 2024.

The City's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant accounting policies established in GAAP and used by the City are discussed below.

**Basic Financial Statements – Government Wide Statements**

The City's basic financial statements include both government-wide (reporting the City as a whole) and fund financial statements (reporting the City's major funds). Both the government-wide and fund financial statements categorize primary activities as either governmental or business type. The City's police and fire protection, parks, public works and general administrative services are classified as governmental activities. The City's sanitation, water, sewer and landfill are classified as business-type activities.

In the government-wide Statement of Net Position, both the governmental and business-type activities columns (a) are presented on a consolidated basis by column, (b) and are reported on a full accrual, economic resource basis, which recognizes all long-term assets, receivables, and deferred outflows of resources as well as long-term debt, obligations, and deferred inflows of resources. The City's net position is reported in three parts – net invested in capital assets; restricted net position; and unrestricted net position. The City first utilizes restricted resources to finance qualifying activities.

**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

The government-wide Statement of Activities reports both the gross and net cost of each of the City's functions and business-type activities (police, fire, public works, etc.). The functions are also supported by general government revenues (taxes, certain intergovernmental revenues, fines, permits and charges, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating and capital grants. Program revenues must be directly associated with the function (police, public works, etc.) or a business-type activity. Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The net costs (by function or business-type activity) are normally covered by general revenue (taxes, intergovernmental revenues, interest income, etc.).

The City does not allocate indirect costs. An administrative service fee is charged by the General Fund to the other operating funds that is eliminated like a reimbursement (reducing the revenue and expense in the General Fund) to recover the direct costs of General Fund services provided (finance, personnel, purchasing, etc.).

This government-wide focus is more on the sustainability of the City as an entity and the change in the City's net assets resulting from the current year's activities.

**(a) Reporting Entity**

The City of Elkins is a municipal corporation governed by an elected mayor and ten member council. The accompanying financial statements present the government and its component units as required by generally accepted accounting principles.

The services provided by the government and accounted for within these financial statements include law enforcement for the City, health and sanitation services, cultural and recreation programs, and other governmental services.

The City complies with GASB Statement No. 61, "*The Financial Reporting Entity: Omnibus an Amendment of GASB Statements No. 14 and No. 34*". This statement established standards for defining and reporting component units in the financial statements of the reporting entity. It defines component units as legally separate organizations for which the component unit not only has a fiscal dependency on the reporting entity but also a financial benefit or burden relationship must be present between the reporting entity and the entity that is to be included as a component unit. In addition, an entity may be included as a component unit in the financial statements of the reporting entity, if the reporting entity's management determines that it would be misleading to exclude them.

***Blended Component Units***

The entities below are legally separate from the City and meet GAAP criteria for component units. These entities are blended with the primary government because they provide services entirely or almost entirely to the City.

The *Elkins Building Commission* serves the City of Elkins, West Virginia, and is governed by a board comprised of three members appointed by the City for a term of five years each. The Building Commission acquires property and debt on behalf of the City. The City of Elkins Building Commission is reported within the General Fund.

***Discretely Presented Component Units***

Discretely presented component units are entities which are legally separate from the City, but are financially accountable to the City, or whose relationship with the City is such that exclusion would cause the City's financial statements to be misleading or incomplete. Because of the nature of services they provide and the City's ability to impose its will on them or a financial benefit/burden relationship exists, the following component units are discretely presented in accordance with GASB Statement No. 14 (as amended by GASB Statement No. 39). The discretely presented component units are presented on the government-wide statements.

The *Elkins Parks and Recreation Board* serves all citizens of the City of Elkins by providing recreational services and is governed by a five member board appointed by Council. The City provides financial support to the Board on an annual basis.

***Jointly Governed Organizations***

The City, in conjunction with the Randolph County Commission has created the Elkins-Randolph County Library and the Elkins-Randolph County Airport Authority. The Library Board is composed of five members with three appointed by the City and two appointed by the Randolph County Commission. The Airport Authority is composed of five members with two members appointed by the City of Elkins and three members from the Randolph County Commission. The City expended \$18,250 for an operating grant for the Airport Authority and \$22,500 for the Library Board for the fiscal year.

**(b) Government-Wide Financial Statements**

The government-wide financial statements report information on all the nonfiduciary activities of the government. For the most part, the effect of internal activity has been removed from these statements. Government activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to significant extent on fees and charges for support.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include (1) charges to customers or applicants whose purchase, use or direct benefit from goods, services or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the governmental-wide statements. Major individual funds are reported as separate columns in the fund statements.

**(c) Funds – Fund Financial Statements**

Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate “fund types”. Governmental funds are used to account for governmental activities, where the focus of attention is on the providing of services to the public as opposed to proprietary funds where the focus of attention is on recovering the cost of providing services to the public through service charges or user fees. Fiduciary funds are used to account for assets held by the City in a trustee or agency capacity. The fund types used by the City of Elkins are described as follows:

***Governmental Fund Types***

Governmental funds are accounted for using the current financial resources measurement focus. Only current assets, current liabilities, and deferred inflows of resources are generally included on their balance sheets. Their operating statements present sources and uses of available resources during a given period.

***General Fund:*** The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

***Special Revenue Funds:*** Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes.

***Capital Project Funds:*** Capital project funds account for the acquisition of capital assets or construction of major capital projects not being financed by proprietary or fiduciary trust funds.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

The City of Elkins reports the following major governmental funds:

The *General fund* is the government's primary operating fund. It accounts for all financial resources of the government, except those required to be accounted for in another fund.

The *Coal Severance Tax fund*, a special revenue fund, accounts for revenues and expenditures from a severance tax placed on coal that is distributed to West Virginia municipalities.

The *Financial Stabilization Fund* accounts for monies specifically set aside for the acquisition of capital assets or construction of major capital projects not being financed by proprietary or fiduciary trust funds.

The *American Rescue Plan Act Fund* accounts for monies acquired through the American Rescue Plan Act.

The *Fire Department Fund* accounts for fire protection fees and related revenues to provide resources to pay the costs of running the fire department for the City.

***Proprietary Fund Types***

Proprietary funds are accounted for using the economic resources measurement focus; the accounting objectives are determination of net income, financial position, and cash flows. All assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with a proprietary fund's activities are included on its balance sheet.

***Enterprise Funds:*** Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

The City reports the following major proprietary funds:

The *Water fund* serves the citizens of the City of Elkins by providing water services to the community. This fund accounts for the receipts and expenses of operating this facility. The rates for user charges and bond issuance authorizations are approved by the government's elected council.

The *Sewer fund* services the citizens of the City of Elkins by providing sewer services to the community. This fund accounts for the receipts and expenses of operating this facility. The rates for user charges and bond issuance authorizations are approved by the government's elected council.

The *Sanitation fund* serves the citizens of the City of Elkins by providing health and sanitation services, including garbage pickup, to the community. This fund accounts for the receipts and expenses of operating this facility. The rates for user charges are approved by the government's elected council.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

The *Landfill fund* had served the citizens of the City of Elkins by providing landfill services to the community. This fund accounts for the receipts and expenses of operating this facility. The Landfill is now closed. The rates for user charges and bond issuance authorizations are approved by the government's elected council.

***Fiduciary Funds***

Fiduciary funds account for assets held by the City in a trustee or agency capacity. Pension trust funds are accounted for in essentially the same manner as proprietary funds.

Additionally, the City reports the following fund types:

The *Pension Trust funds* account for the activities of the Public Safety Employees Retirement System, which accumulates resources for pension benefit payments to qualified public safety employees. These funds are accounted for in essentially the same manner as the proprietary funds, using the same measurement focus and basis of accounting.

**(d) Cash, Cash Equivalents and Investments**

Cash on hand and deposits with banking institutions either in checking or savings accounts are presented as cash and cash equivalent in the accompanying financial statements.

State statutes authorize the government to invest in the State Investment Pool or the Municipal Bond Commission or to invest such funds in the following classes of securities: (a) obligations of the United States or any agency thereof, (b) certificates of deposit (which mature in less than one year), (c) general and direct obligations of the State of West Virginia, (d) obligations of the Federal National Mortgage Association, (e) indebtedness secured by first lien deed of trust for property situated within the State if the payment is substantially insured or guaranteed by the federal government, (f) pooled mortgage trusts (subject to limitations), (g) indebtedness of any private corporation that is properly graded as in the top two or three highest rating grades, (h) interest earning deposits which are fully insured or collateralized, and (i) mutual funds registered with the Security and Exchange Commission which have fund assets over three hundred million dollars. State statute limitations concerning the aforementioned investments include the following:

- (1) at no time can investment portfolios consist of more than seventy-five percent of the indebtedness of any private corporations nor can the portfolio have over twenty-five percent of its portfolio consisting of the indebtedness of a private corporation's debt which matures in less than one year.
  - (2) at no time may more than nine percent of the portfolio be invested in securities issued by a single private corporation or association.
  - (3) at no time can more than sixty percent of the portfolio be invested in equity mutual funds.
- Investment risk is categorized as follows:

**Interest rate risk** – The risk that changes in interest rates will adversely affect the fair value of an investment.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**Credit risk** – The risk that an issuer or other counterparty to an investment will not fulfill its obligations.

**Custodial credit risk** – The risk that, in the event of the failure of the counterparty to a transaction, the City will not be able to recover the value of investment or collateral securities that are in the possession of an outside party.

**(e) Receivables**

All receivables are shown net of allowance for uncollectible accounts.

**(f) Capital Assets**

The accounting and reporting treatment applied to capital assets and long-term liabilities associated with a fund are determined by its measurement focus. The City of Elkins records the purchase of capital assets used in governmental fund type operations as expenditures in the governmental funds. The government-wide financial statements of the City of Elkins are accounted for on a cost of service or “capital maintenance” measurement focus. This means that all assets and all liabilities (whether current or noncurrent) associated with their activity are included on the statement of net position.

All proprietary funds and pension trust funds are accounted for on a cost of services or "capital maintenance" measurement focus. This means that all assets and all liabilities (whether current or noncurrent) associated with their activity are included on the statement of net position. The reported fund equity (net position) is segregated into net position components. Proprietary fund type operating statements present increases (revenues) and decreases (expenses) in net position.

Depreciation of all exhaustible capital assets is charged as an expense against operations. Accumulated depreciation is reported on the statements of net position. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

| Asset                             | Straight-line<br>Years |
|-----------------------------------|------------------------|
| <b><u>Governmental Funds:</u></b> |                        |
| Buildings & Improvements          | 20 to 50 years         |
| Infrastructure                    | 20 to 65 years         |
| Machinery & Equipment             | 5 to 25 years          |
| Vehicles                          | 5 years                |
| <b><u>Proprietary Funds:</u></b>  |                        |
| Buildings                         | 25 to 50 years         |
| Improvements                      | 10 to 20 years         |
| Utility Plant                     | 10 to 20 years         |
| Equipment                         | 5 to 25 years          |

**(g) Basis of Accounting**

**Fund Financial Statements**

**Modified Accrual Basis of Accounting**

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days after the end of the current fiscal year. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences are recorded only when payment is due.

Taxes, grants and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the government.

**Accrual Basis of Accounting**

The accrual basis of accounting is used in proprietary fund types and the pension trust funds. The accrual basis of accounting recognized revenues when earned. Expenses are recorded when incurred. Plan member contributions to the pension trust funds are recognized in the period in which the contributions are due. Employer contributions to the plan are recognized when due and the City has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

**Government-Wide Financial Statements**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary funds (when appropriate) and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year in which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

**(h) Budgets and Budgetary Accounting**

All municipalities within West Virginia are required by statute to prepare annual budgets (levy estimates) on prescribed forms for the General and Coal Severance Funds and submit these for approval to the State Tax Commissioner. These budgets are prepared in accordance with the following procedures:

1. The governing body of the municipality is required to hold a meeting or meetings between the seventh and twenty-eighth days of March to ascertain the financial condition of the municipality and to prepare the levy estimate (budget) for the fiscal year commencing July 1.
2. The budget is then forthwith submitted to the State Tax Commissioner for approval.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

3. The governing body then reconvenes on the third Tuesday in April to hear objections from the public and to formally lay the levy.

Revisions are authorized only with prior written approval of the State Tax Commissioner. The budgeted amounts reflected in the accompanying financial statements are such approved amounts.

- A) Unused appropriations for all of the above annually budgeted funds lapse at the year end.
- B) The budget amounts shown in the financial statements are the final authorized amounts as revised during the year.

**(i) Encumbrances – Fund Financial Statements**

Encumbrances accounting is used for the General Fund and special revenue funds. Encumbrances are recorded when purchase orders are issued but are not considered expenditures until liabilities for payments are incurred. Encumbrances are reported as a reservation of fund balance on the balance sheet. Encumbrances do not lapse at the close of the fiscal year but are carried forward as restricted, committed or assigned fund balance until liquidated.

**(j) Inventories**

The City considers inventories of materials and supplies utilized in governmental fund types operations as expended at the time of purchase therefore, they do not appear in the City's financial statements. Inventories of materials and supplies utilized in the proprietary fund type operation, are considered expended at the time of consumption; therefore, balances on hand at year end, valued at cost (first-in, first-out) are presented in the City's financial statements.

**(k) Compensated Absences**

The liability for compensated absences reported in the government-wide financial statements consists of unpaid and accrued vacations. The liability has been calculated using the vesting method, in which leave amounts for only employees who currently are eligible to receive termination payments are included.

The City's accounting policies related to compensated absences are summarized below:

**Accumulated Vacation**

For governmental funds, the cost of accumulated vacation pay expected to be paid within the next twelve months is recorded as a fund liability. Any amount that is expected to be paid after twelve months should be reflected in the general long-term debt account; however, the City considers the entire vacation liability as a fund liability. For proprietary funds, the cost of vacation leave is recorded as a liability when earned.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**(l) Pension Plans**

The City provides separate defined benefit pension plans for uniformed police and fire department personnel. It is the City's policy to fund the normal cost and amortization of the unfunded prior service cost.

All other eligible employees are covered under the West Virginia Public Employee Retirement System due to the City's electing to be a participating public employer.

**(m) Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**(n) Equity Classification**

GASB Statement No. 54 "Fund Balance Reporting and Governmental Fund Type Definitions," established standards for accounting and financial reporting that are intended to improve the clarity and consistency of the fund balance information provided to financial report users. The classifications are based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which the amounts in those funds can be spent.

**GASB 54 – "Fund Balance Reporting and Governmental Fund Type Definitions" –** divided fund balance for governmental fund financial statements into five components:

- a. Nonspendable – Amounts that cannot be spent either because they are in a nonspendable form or because they are legally or contractually required to be maintained intact.
- b. Restricted – Amounts that can be spent only for specific purposes because of the City's code, state or federal laws, or externally imposed conditions by grantors or creditors.
- c. Committed – Amounts that can be used only for specific purposes determined by a formal action by the City's council.
- d. Assigned – Amounts that are designed by the City's council for a particular purpose but are not spendable until there is a majority vote approval by the City's council.
- e. Unassigned – All amounts not included in other spendable classifications.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**Net Position Classifications:**

**GASB 63 – *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*** – divided net position for Government-wide net position into three components:

- a. Net investment in capital assets – consist of the historical cost of capital assets less accumulated depreciation and less any debt that remains outstanding that was used to finance those assets plus deferred outflows of resources less deferred inflows of resources related to those assets.
- b. Restricted net position – consists of net position that is restricted by the City's creditors (for example through debt covenants), by the state enabling legislation (through restrictions on shared revenues), by grantors (both federal and state), and by other contributors.
- c. Unrestricted – all other net position is reported in this category

**(o) Interfund Activity**

Interfund activity is reported as either loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental or proprietary funds are netted as part of the reconciliation to the government-wide financial statements.

**(p) Restricted Assets**

Certain proceeds of the water and sewer enterprise fund revenue bonds, as well as certain proceeds set aside for their repayment, are classified as restricted assets on the statement of net position because their use is limited by applicable bond covenants.

**(q) Deferred Outflows/Inflows of Resources**

In addition to assets and liabilities, the statement of financial position may report deferred outflows/inflows of resources. Deferred outflows of resources represent a consumption of net position that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until that time. The City recorded a deferred outflow of resources for pensions and OPEB in the amounts of \$1,098,310 and \$30,013, respectively, as of June 30, 2024. The deferred outflows of resources related to the pension are explained in Note 6 and Note 9 and the deferred outflows of resources related to OPEB are explained in Note 9. Deferred inflows of resources represent an acquisition of net position that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time. For 2024, the City reported a total of \$168,241 and \$167,439 of deferred inflows related to pensions and OPEB, respectively, on the statement of financial position. The deferred inflows of resources related to the pension are explained in Note 6 and Note 9 and the deferred inflows of resources related to OPEB are explained in Note 9.

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**(r) Pensions**

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the pension plans and additions to/deductions from their fiduciary net position have been determined on the same basis as they are reported by the pension systems. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. The pension systems report investments at fair value.

**(s) Other Post-Employment Benefits**

Net OPEB Liability – For purposes of measuring the net OPEB liability (asset) and deferred outflows/inflows of the resources related to other post-employment benefits, and other post-employment benefit expenses, information about the fiduciary net position of the County's Other Post-Employment Benefits Plan (OPEB) of the West Virginia Retiree Health Benefit Trust Fund (RHBTF) and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the RHBTF. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. Detailed information on the investment valuation can be found in the plans' financial statements.

**2. Reconciliation of Government-Wide and Fund Financial Statements**

The governmental fund balance sheet includes a reconciliation between fund balance – total governmental funds and net assets – governmental activities as reported on the government-wide statement of net assets. The governmental fund statement of revenues, expenditures, and changes in fund balance includes a reconciliation between net changes in fund balances – total governmental fund and changes in net assets of governmental activities as reported in the government – wide statement of activities. The individual elements of those reconciliations are included with the statements.

**3. Deposits and Investments**

The City reporting entity considers highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased to be cash equivalents. Exceptions include the Firemen's Pension and Relief Fund and the Policemen's Pension and Relief Fund which classify only cash as cash equivalents in order to appropriately report investment activity.

**Deposits**

**Custodial Credit Risk**

Custodial credit risk is the risk that, in the event of a bank failure, the City's deposits may not be returned to it.

It is the City's policy for deposits to be 100% secured by collateral valued at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation insurance. The City's deposits are categorized to give an indication of the level of risk assumed by the City at June 30, 2024. The categories are described as follows:

**City of Elkins, West Virginia**  
**Notes to the Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**Investments and Restricted Assets**

Investment pools are under the custody of the City. Investing is performed in accordance with investment policies complying with State Statutes and the City Charter. Pooled funds may be invested in the State Investment Pool or the Municipal Bond Commission for investment purposes, or invested in the following classes of securities: Commercial paper rated A-1 by Standard & Poor's Corporation or P-1 by Moody's Commercial Paper Record, bankers' acceptances, repurchase agreements and reverse repurchase agreements. The pension trust fund is also authorized to invest in corporate bonds rated AA or better by Standard & Poor's Corporation or AA or better by Moody's Bond Rating.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets. Level 2 inputs are significant other observable inputs. Level 3 inputs are significant unobservable inputs. The tables on the following pages identify the City's recurring fair value measurements as of June 30, 2024. All investments of the City are valued using quoted market prices (Level 1 inputs).

**Custodial Credit Risk**

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

Investments made by the City are summarized below. The investments that are represented by specific identifiable investment securities are classified as to credit risk by the three categories described below.

- Category 1** - Insured or registered, securities held by the City or its agent in the entity's name.
- Category 2** - Uninsured and unregistered, with securities held by the counterparty's trust department or agent in the entity's name.
- Category 3** - Uninsured and unregistered, with securities held by the counterparty, or by its trust department or agent but not in the entity's name.

**5. Property Taxes**

The taxes on real property and the interest and other charges upon such taxes attach as an enforceable lien on the first day of July. There is no lien denominated as such on personal property; however, statutes provide that the sheriff of a county may distrain for delinquent taxes any goods and chattels belonging to a person assessed. All current taxes assessed on real and personal property may be paid in two installments; the first installment is payable on September first of the year for which the assessment is made, and becomes delinquent on October first, and the second installment is payable on the first day of the following March and becomes delinquent on April first. Taxes paid on or before the date when they are payable, including both first and second installments, are subject to a discount of two and one-half percent. If taxes are not paid on or before the date on which they become delinquent, including both first and second installments, interest at the rate of nine percent per annum is added from the date they become delinquent until paid.

All municipalities within the state are authorized to levy taxes not in excess of the following maximum levies per \$100 of assessed valuation: On Class I property, twelve and five-tenths cents (12.5¢); on Class II property, twenty-five cents (25.0¢); and on Class IV property, fifty cents (50.0¢). In addition, municipalities may provide for an election to lay an excess levy, the rates not to exceed fifty percent of such authorized maximum levies, provided that at least sixty percent of the voters cast ballots in favor of the excess levy.

| Determination of contribution requirements | The City finances benefits using the optional funding policy as defined in state statutes. City contributions are equal to the normal cost, net of employee contributions, plus an amortization of the unfunded actuarial liability net of the premium tax allocation applicable to the plan year. The amortization is based upon a 40-year closed amortization period, commencing on July 1, 1991, with level dollar payments for PPRF and commencing on July 1, 2010, with level dollar payments for FPRF. The plan also receives state contributions based on an allocation of premium tax that depends on the number of active and retired members. Projected sponsor, state and member contributions along with projected investment earnings are expected to fully fund the projected actuarial liability for current plan members by 2024 for PPRF and FPRF is fully funded as of year end. |

**Actuarial Assumptions and Rate of Return**

**Actuarial Assumptions**

The total pension liability was determined by an actuarial valuation as of June 30, 2023 for both plans, using the following actuarial assumptions, applied to all periods included in the measurement. The actuarial assumptions used in the valuation were based on the results of an actuarial experience study for the period July 1, 2017, through July 1, 2020. Additional actuarial assumptions are disclosed in the Required Supplementary Information.

The long-term expected rate of return on pension plan investments were determined using a building-block method in which best-estimate rates of expected future real rates of returns (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plans' target asset allocation as of June 30, 2023 are summarized in the following chart:

Mortality rates were based on the SOA PubS-2012(B) Mortality Tables with generational projecting using Scale MP-2019.

**Rate of Return**

For the year ended June 30, 2023, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense was 6.25 percent for the PPRF and 6.0 percent for the FPRF. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

## 9. Employees Retirement System

### Net Pension Liability (Asset)

The net pension liability (asset) has been disclosed below. The net pension liability (asset) reported on the statement of net position represents a liability (asset) to employees for pensions.

Pensions are a component of exchange transactions—between an employer and its employees—of salaries and benefits for employee services. Pensions are provided to an employee—on a deferred-payment basis—as part of the total compensation package offered by an employer for employee services each financial period. The obligation to sacrifice resources for pensions is a present obligation because it was created as a result of employment exchanges that already have occurred.

The net pension liability (asset) represents the City’s proportionate share of the pension plan’s collective actuarial present value of projected benefit payments attributable to past periods of service, net of the pension plan’s fiduciary net position. The net pension liability (asset) calculation is dependent on critical long-term variables, including estimated average life expectancies, earnings on investments, cost of living adjustments and others. While these estimates use the best information available, unknowable future events require adjusting this estimate annually.

**City of Elkins, West Virginia**  
**Notes to The Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

The proportionate share of each plan's unfunded benefits is presented as a long-term net pension liability (asset) on the accrual basis of accounting.

**Public Employee Retirement System (PERS)**

The City participates in a statewide, cost-sharing multiple employer defined benefit plan on behalf of the City employees. The system is administered by agencies of the State of West Virginia and funded by contributions from participants, employers, and State appropriations, as necessary.

The City's cost-sharing multiple employer plan is administered by the Consolidated Public Retirement Board (CPRB), which acts as a common investment and administrative agent for all of the participating employers. CPRB issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CPRB website at [www.wvretirement.com](http://www.wvretirement.com). The following is a summary of eligibility factors, contribution methods, and benefit provisions:

**Net Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

At fiscal year-end, the City reported the following liabilities (assets) for its proportionate share of the net pension liability (asset). The net pension liabilities (assets) were measured as of June 30, 2023, and the total pension liability used to calculate the net pension liabilities (assets) was determined by an actuarial valuation as of that date. The City's proportion of the net pension liabilities (assets) was based on a projection of the City's long-term share of contributions to the pension plans relative to the projected contributions of all participating governments, actuarially determined. At June 30, 2024, the City reported the following proportions and increase/decreases from its proportion measured as of June 30, 2023:

The actuarial assumptions used in the June 30, 2023 PERS valuation were based on the results of an actuarial experience study for the period June 1, 2013 to June 30, 2018.

The long-term expected rate of return on pension plan investments were determined using a building-block method in which estimates of expected real rates of returns (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The target allocation and best estimates of arithmetic real rates of return for each asset class are summarized in the following table:

| <b>Asset Class</b>      | <b>Target Allocation</b> | <b>Long-Term Expected Rate of Return</b> |
|-------------------------|--------------------------|------------------------------------------|

**Discount rate**

The discount rate used to measure the total pension liability was 7.25%. The projection of cash flows used to determine the discount rates assumed that employer contributions will continue to follow the current funding policies. Based on those assumptions, the fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rates of return on pension plan investments were applied to all periods of projected benefit payments to determine the total pension liabilities of each plan.

**Sensitivity of the net pension liability to changes in the discount rate**

The following presents the net pension liability of the City, calculated using the discount rate of 7.25 percent, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1 – percentage-point lower (6.25 percent) or 1 – percentage point higher (8.25 percent) than the current rate:

**Pension plans' fiduciary net position**

Detailed information about the pension plan's fiduciary net position is available in the separately issued West Virginia Consolidated Public Retirement Board (WVCPRB) Annual Comprehensive Financial Report. That report can be obtained by visiting the WVCPRB website at [www.wvretirement.com](http://www.wvretirement.com).

**Municipal Police Officers & Firefighters Retirement System (MPFRS)**

The City participates in a statewide, cost-sharing multiple employer defined benefit plan on behalf of hired Municipal public safety employees after January 1, 2010. The system is administered by agencies of the State of West Virginia and funded by contributions from participants, employers, and State appropriations, as necessary.

MPFRS is a multiple employer defined benefit retirement system administered by the Consolidated Public Retirement Board (CPRB), which acts as a common investment and administrative agent for all of the participating employers. CPRB issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CPRB website at [www.wvretirement.com](http://www.wvretirement.com).

**Notes to The Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

**Net Pension Assets, Pension Gain, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

At fiscal year-end, the City reported the following liabilities (assets) for its proportionate share of the net pension liability (asset). The net pension liabilities (assets) were measured as of June 30, 2022 rolled forward to June 30, 2023, and the total pension liability used to calculate the net pension liabilities (assets) was determined by an actuarial valuation as of that date. The City's proportion of the net pension liabilities (assets) was based on a projection of the City's long-term share of contributions to the pension plans relative to the projected contributions of all participating governments, actuarially determined. At June 30, 2024, the City reported the following proportions and increase/decreases from its proportion measured as of the prior period:

**Actuarial Assumptions**

The total pension liability was determined by an actuarial valuation as of July 1, 2022 and rolled forward to June 30, 2023, using the following actuarial assumptions, applied to all periods included in the measurement.

Public Employees Retirement System

Inflation rate 2.75%

Salary increases By age – from 4.75% at age 30 declining to 3.25% at age 65

Investment rate of return 7.25%

Withdrawal rate 3.00% - 21.00%

Disability rate 0.03% - 0.40%

Retirement rate 25% - 100%

Mortality Rates

Active – 100% of Pub-2010 Safety Employee Table, Amount weighted, projected generationally with Scale MP-2020

Retired Healthy Males – 98% of Pub-2010 Safety Retiree Male Table, Amount Weighted, projected generationally with MP-2020

Retired Healthy Females – 99% of Pub-2010 Safety Retiree Female Table, Amount Weighted, projected generationally with MP-2020

Disabled Males – 124% of Pub—2010 Male Disable Annuitant table, Scale MP-2020 fully generational

Disabled Females – 100% of Pub-2010 Female Disabled Annuitant table, Scale MP-2020 fully generational

The actuarial assumptions used in the June 30, 2023 MPFRS valuation were based on the results of an actuarial experience study for the period July 1, 2015 to June 30, 2020.

The long-term expected rate of return on pension plan investments were determined using a building-block method in which estimates of expected real rates of returns (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

**City of Elkins, West Virginia**  
**Notes to The Financial Statements**  
**For The Fiscal Year Ended June 30, 2024**

The target allocation and best estimates of geometric real rates of return for each asset class are summarized in the following table:

| Asset Class             | Target Allocation | Long-Term Expected Rate of Return |
|-------------------------|-------------------|-----------------------------------|
| Domestic Equity         | 27.50%            | 5.3%                              |

| Hedge Funds             | 10.00%            | 3.8%                              |
| Total                   | 100.00%           |                                   |

**Discount rate**

The discount rate used to measure the total pension liability was 7.25%. The projection of cash flows used to determine the discount rates assumed that employer contributions will continue to follow the current funding policies. Based on those assumptions, the fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rates of return on pension plan investments were applied to all periods of projected benefit payments to determine the total pension liabilities of each plan.

**Sensitivity of the net pension liability to changes in the discount rate**

The following presents the net pension liability of the City, calculated using the discount rate of 7.25 percent, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1 – percentage-point lower (6.25 percent) or 1 – percentage point higher (8.25 percent) than the current rate:

**Other Post Employment Benefits**

Plan description. The City contributes to the West Virginia Other Postemployment Benefit Plan (the Plan), a cost-sharing, multiple-employer defined benefit postemployment healthcare plan. The financial activities of the Plan are accounted for in the West Virginia Retiree Health Benefit Trust Fund (RHBT), a fiduciary fund of the State of West Virginia. The Plan is administered by a combination of the West Virginia Public Employees Insurance Agency (PEIA) and the RHBT staff. Plan benefits are established and revised by PEIA and the RHBT management with approval of the Finance Board. The Finance Board is comprised of nine members. Finance Board members are appointed by the Governor, serve a term of four years and are eligible for reappointment. The State Department of Administration cabinet secretary serves as Chairman of the Board. Four members represent labor, education, public employees and public retirees. The four remaining members represent the public at large. The Plan had approximately 43,000 policyholders and 63,000 covered lives at June 30, 2023. The RHBT audited financial statements and actuarial reports can be found on the PEIA website at [www.peia.wv.gov](http://www.peia.wv.gov). You can also submit your questions in writing to the West Virginia Public Employees Insurance Agency, 601 57th. Street, SE, Suite 2, Charleston, WV, 25304.

Benefits provided. The Plan provides medical and prescription drug insurance and life insurance. The medical and prescription drug insurance is provided through two options: 1) Self-Insured Preferred Provider Benefit Plan (primarily for non-Medicare-eligible retirees and spouses) and 2) External Managed Care Organizations (primarily for Medicare-eligible retirees and spouses).

Contributions. Paygo premiums are established by the Finance Board annually. All participating employers are required by statute to contribute this premium to the RHBT at the established rate for every active policyholder per month. The active premiums subsidized the retirees' health care by approximately \$60 million for the fiscal year ended June 30, 2023.

Contributions to the OPEB plan from the City were \$- for the current fiscal year.

**Net OPEB Liabilities (Assets), OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB**

The projections of the net OPEB liability (asset) are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The projection of the net OPEB liability (asset) does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost-sharing between the employer and plan members in the future. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial estimated liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. However, the preparation of any estimate of future post-employment costs requires consideration of a broad array of complex social and economic events. Future changes in the healthcare reform, changes in reimbursement methodology, the emergence of new and expensive medical procedures and prescription drugs

option, changes in the investment rate of return and other matters increase the level of uncertainty of such estimates. As such, the estimate of post-employment program costs contains considerable uncertainty and variability and actual experience may vary significantly by the current estimated net OPEB liability (asset).

At fiscal year-end, the City reported an asset for its proportionate share of the net OPEB liability (asset) that reflected a reduction for State OPEB support provided to the City. The amount recognized by the City as its proportionate share of the net OPEB liability (asset), the related State support, and the total portion of the net OPEB liability (asset) that was associated with the City were as follows:

The net OPEB liability (asset) reported as of June 30, 2024 was measured as of June 30, 2023, and the total OPEB liability used to calculate the net OPEB liability (asset) was determined by an actuarial valuation as of that date. The City's proportion of the net OPEB liability (asset) was based on the City's share of contributions to the OPEB plan relative to the projected contributions of all participating entities.

Following is information related to the proportionate share as well as the OPEB expense:

The actuarial assumptions used in the June 30, 2023 valuation were based on the results of an actuarial experience study for the period July 1, 2015 - June 30, 2020.

The actuarial valuation as of June 30, 2023, reflects updates to various assumptions; per capita claim costs, healthcare trend rates, aging factors, and participation rates.

The long-term expected rate of return of 7.40% on OPEB plan investments was determined by a combination of an expected long-term rate of return of 7.60% for long-term assets invested with the WV Investment Management Board (WVIMB) and an expected short-term rate of return of 2.75% for assets invested with the West Virginia Board of Treasury Investments.

Long-term pre-funding assets are invested with the WVIMB. The strategic asset allocation consists of 45% equity, 15% fixed income, 6% private credit and income, 12% private equity, 10% hedge fund and 12% real estate invested. Short-term assets used to pay current year benefits and expenses are invested with the WVBTI.

The long-term rates of return on OPEB plan investments are determined using a building block method in which best estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future rates of return by the target asset allocation percentage. Target asset allocations, capital market assumptions (CMA), and forecast returns were provided by the Plan's investment advisors, including West Virginia Investment Management Board (WVIMB). The projected return for the Money Market Pool held with the West Virginia Board of Treasury Investments (WVBTI) was estimated based on WVIMB assumed inflation of 2.50% plus a 25-basis point spread.

| Private Equity            | 10.0%                                             |
| Real Estate               | 7.2%                                              |
| Hedge Funds               | 4.5%                                              |

**Discount rate**

A single discount rate of 7.40% was used to measure the total OPEB liability. This single discount rate was based on the expected rate of return on OPEB plan investments of 7.40%. The projection of cash flows used to determine this single discount rate assumed that employer contributions will be made in accordance with the prefunding and investment policies. Based on these assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

**Sensitivity of the net OPEB liability to changes in the discount rate**

The following presents the net OPEB liability of the RHBT, as well as what the RHBT's net OPEB liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.40%) or 1-percentage-point higher (8.40%) than the current rate:

**12. Landfill Closure and Post-closure Care Costs**

The City turned over certain obligations related to the closure and post-closure costs of the landfill to the State of West Virginia. The City is still required to maintain trust funds which originally were established to fund closure and post-closure care. The balances of \$1,888,206 and \$48,736, respectively at June 30, 2024 are reported as restricted assets until a final determination has been made regarding the disposition of these assets.

**For The Fiscal Year Ended June 30, 2024**

**13. Contingent Liabilities**

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds.

The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the City expects such amounts, if any, to be immaterial.

The City is a defendant in a few lawsuits arising in the normal course of business. In the aggregate, these claims are not likely to have a material adverse impact on the affected funds of the City.

**14. Debt Covenant Compliance**

**Sewer**

The City of Elkins, West Virginia is subject to rate covenant compliance associated with the issuance of the Series 2009 A bonds. Specifically, the City must meet gross revenue targeted percentage and reserve debt requirements as shown in the bond document as follows:

"...The schedule or schedules of rates and charges shall at all times be adequate to produce Gross Revenues from the System sufficient to pay Operating Expenses and to make the prescribed payments into the funds and accounts created hereunder...the Issuer hereby covenants and agrees that the schedule or schedules of rates or charges from time to time in effect shall be sufficient together with other revenues of the System, (i) to provide for all Operating Expenses of the System and (ii) to leave a balance each year equal to at least 115% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds, and all other obligations... including Prior Bonds: provided that, in the event that, an amount equal to or in excess of Reserve Requirements is on deposit in the Series 2009 A Bonds Reserve Account and any reserve accounts for obligations on a parity with, or subordinate to, the Series 2009 A Bonds are funded at least at the requirement therefore, such sum need only equal 110% of the maximum amount required in any year for payment of principal of and interest on the Series 2009 A Bonds, and all other obligations..."

**Notes to the Schedule of Expenditures of Federal Awards**  
For the Year Ended June 30, 2024

---

**NOTE A – BASIS OF PRESENTATION**

The accompanying Schedule of Federal Awards Receipts and Expenditures (the Schedule) includes the federal award activity of City of Elkins, West Virginia (the City) under programs of the federal government for the year ended June 30, 2024. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement. The City has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**Independent Auditor's Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Required by *Government Auditing Standards***

City of Elkins  
Randolph County, West Virginia  
401 Davis Avenue  
Elkins, West Virginia 26241

To the Mayor and Members of Council:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Elkins, Randolph County, West Virginia (the City) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated April 8, 2025.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance with Requirements Applicable to The Major Federal Programs and on Internal Control Over Compliance Required by the Uniform Guidance**

City of Elkins  
Randolph County, West Virginia  
401 Davis Avenue  
Elkins, West Virginia 26241

To the Mayor and Members of Council:

***Report on Compliance for the Major Federal Program***

***Opinion on the Major Federal Program***

We have audited the City of Elkins' (the City) compliance with the types of compliance requirements identified as subject to audit in the U.S. Office Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on the City's major federal program for the year ended June 30, 2024. The City's major federal program is identified in the *Summary of Auditor's Results* section of the accompanying schedule of findings.

In our opinion, the City of Elkins complied, in all material respects with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2024.

***Basis for Opinion on the Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City's and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

### ***Management's Responsibility***

The City's Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### ***Other Matters***

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with Uniform Guidance and which is described in the accompanying schedule of findings as item 2024-001. Our opinion on the major federal program is not modified with respect to these matters.

### ***Report on Internal Control Over Compliance***

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of this testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**2. FINDINGS RELATED TO THE FINANCIAL STATEMENTS  
REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS**

**None noted**

---

**3. FINDINGS FOR FEDERAL AWARDS**

**Finding Number 2024-004**

**Timeliness of Single Audit**

We noted that the City did not submit the single audit reporting package to the Federal Audit Clearinghouse within the prescribed timeframe.

Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) section 200.512 states:

“The audit must be completed and the data collection form...and reporting package...must be submitted within the earlier of 30 calendar days after receipt of the auditor’s report, or nine months after the end of the audit period.

The entity was unable to provide completed financials statements in a timely manner before the prescribed timeframe had been reached due to several mitigating factors as described in the client response below.

The federal awarding agency or pass-through entity may impose additional conditions, or take actions that could include in part: temporarily withhold cash payments, disallow all or part of the cost of the activity, wholly or partly suspend or terminate the Federal award, withhold further Federal awards for the project or program, or take other remedies that may be legally available.

For future single audits, the City should endeavor to ensure that their compiled financial statements are completed prior to the single audit deadline.

**Clients’ response**

The City stated that they will be cognizant of the single audit deadline for future audits. The City stated that the implementation of GASB 87 over the past several years as well as the use of a larger number of leases for vehicles has created some challenges for reporting and will work closely with their consultant to ensure that the financial statements are completed timely. The City also has dealt with significant flooding to City Hall which has put an additional burden on the City the past seven months.

## RE: 2024 Financial and Compliance Audit

A Financial Audit entails the examination of records so to make an opinion on the financial statements as a whole, that they present a true and fair view of the City's financial performance/position. The Compliance Audit is to see if the system and controls of rules/regulations that are in place are functioning and being adhered to. Finally, there is more testing, examination of documents and procedures in a Compliance Audit than a Financial Audit.

There are 4 possible audit opinions:

**Unmodified**-The financial statements referred to present fairly, in all material respects...

**Qualified**-Except for..., the financial statements referred to present fairly, in all material respects...

**Pervasive**-Used to describe the effects of misstatements on the financial statements or that are undetected due to an inability to obtain sufficient appropriate audit evidence...

**Adverse**-Because of the significance of the matter discussed in...the financial statements referred to above do not present fairly the financial position...

The opinion issued can affect the ability to receive grant funding and to obtain financing.

| <b>Summary:</b>          | <p><b>Canvass Date:</b></p> <p>After the June 10 election, council will need to meet as the Board of Canvassers to canvass the election (i.e., verify ballot accounting, consider curing provisional ballots, etc.).</p> <p>Per the West Virginia Secretary of State's elections guide: "The canvass of the election begins on the fifth day, not counting Sunday, following the election. Do not begin the canvass on a Saturday, Sunday or legal holiday, but do count a Saturday or holiday when counting the five days. W. Va. Code § 3-6-9."</p> <p>The fifth day following the upcoming election is Monday, June 16. A quorum of at least six members must be present. Recommendation: 11 a.m.</p> <p><b>Certification Date:</b></p> <p>Per the West Virginia Secretary of State's elections guide: "When the canvass is completed, the results of the election are declared, and the canvass is recessed for at least 48 hours (excluding any Saturday, Sunday or legal holiday which may fall within that period). After the 48 hours have passed, the board of canvassers convenes to certify the results of the election for any office or issue for which no recount request has been filed. If no office or issue is the subject of a recount request, all results are certified."</p> <p>The 48 hour period expires on June 18, at whatever time of day the Canvass ended. If the above recommended time of 11 a.m. is selected, and assuming the Canvass takes no more than two hours, the Certification could be scheduled for 1 p.m. on June 18. Again, a quorum of at least six members must be present.</p> |

May 15, 2025

---

***Accepting Conditions of Agreement between Randolph County Development Authority and the City of Elkins, for HR Department Office Space at the West Virginia Wood Technology Center, and Authorizing Execution of Agreement***

---

**WHEREAS**, The City of Elkins, West Virginia (“City”) has previously determined to obtain temporary office space for various city employees, while repairs and renovations are under way at City Hall; and,

**WHEREAS**, the City has previously executed an Agreement with the Randolph County Development Authority (via Resolution 1785 and 1807) for the provision of such office space, at the West Virginia Wood Technology Center; and,

**WHEREAS**, the City has received an Agreement from the Randolph County Development Authority for additional such office space; and,

**WHEREAS**, it appears that entering into this Agreement is in the best interests of the citizens of the City of Elkins;

**NOW, THEREFORE, BE IT RESOLVED, THAT:**

The Elkins Common Council hereby accepts the terms of and authorizes execution of this Agreement with the Randolph County Development Authority by the Mayor on behalf of the City of Elkins, after approval of said Agreement by the City Attorney.

## LEASE

THIS LEASE, Made this the \_\_\_\_ day of \_\_\_\_\_, 2025, by and between RANDOLPH COUNTY DEVELOPMENT AUTHORITY, a West Virginia statutory corporation, hereinafter "LESSOR", and CITY OF ELKINS, a , hereinafter "TENANT."

### 1. LEASED PREMISES

- A. In consideration of the rents, mutual covenants and agreements hereinafter set forth, Lessor hereby leases to Tenant and Tenant hereby leases from Lessor, for a term and upon the conditions hereinafter provided, office space situated at the West Virginia Wood Technology Center located at 10 11<sup>th</sup> Street, Elkins, West Virginia 26241, specifically, all that certain space, the total area of which is approximately 532 square feet, known as the former computer lab of the West Virginia Wood Technology Center, and which space is designated as "Suite G."
- B. In addition to Suite G, Tenant may use the following common area if available and reserved in advance at no additional cost:
  - 1. Board Room,
  - 2. Classrooms A and B,
  - 3. Kitchen; and
  - 4. Bathrooms

### 2. TERM

The term of this Lease shall commence on \_\_\_\_\_, 2025 (the "Commencement Date"), and shall be month to month for a period not to exceed twelve (12) months from the commencement date "Expiration Date").

### 3. RENT

Tenant covenants and agrees to pay to Lessor, at its office at the West Virginia Wood Technology Center, or such other location as may later be specified, throughout the full term of this Lease, monthly rent installments of Four Hundred Dollars (\$400.00) each during the term of the lease. Monthly rent payments shall be due on the first day of each month.

- A. Rent not paid within ten (10) days of the due date shall be subject to a late charge and service fee of five percent (5%).
- B. All payments of rent received shall first be applied to past due rents and then to current rents.
- C. No payment by Tenant or receipt and acceptance by Lessor of a lesser amount than the rent hereunder shall be deemed to be other than part payment of the full amount then due and payable, and Lessor may accept such part payment without

prejudice to Lessor's right to recover the balance due and payable or to pursue any other remedy provided in this Lease.

4. UTILITIES AND SERVICES

- A. Lessor shall be responsible for payment of utilities and services including internet, electric, gas, water, sewage, and fire fees and waste disposal.
- B. Lessee shall be responsible for payment of services including telephone.
- C. Janitorial services, including dusting, cleaning, garbage removal, and cleaning fixtures of the leased premises shall be the responsibility of the Lessee.
- D. Maintenance of the common area of the building, restrooms, parking lot and grounds shall be the sole responsibility of the Lessor.

5. USE OF LEASED PREMISES

- A. Tenant covenants to use the Leased Premises only for carrying on the business of the City of Elkins human resources department. All of Tenant's property of any kind which may be in the Leased Premises shall be at the sole risk of Tenant or those claiming through or under Tenant.
- B. Tenant shall not commit, or suffer to be committed, any waste on the Leased Premises, nor shall Tenant maintain, commit, or permit the maintenance or commission of any nuisance on the Leased Premises or use the Leased Premises for any unlawful purpose.
- C. Tenant shall comply with any and all laws, ordinances, orders and regulations of any governmental authority which are applicable to its use of the Leased Premises.
- D. Tenant shall allow Lessor, upon request, to enter premises at any reasonable time to make inspection and at any time to act in emergencies.
- E. Tenant's customers may use the common parking area on a non-exclusive basis. Tenant's employees will park in areas designated by the Lessor.

6. ALTERATIONS

Tenant shall not make any alterations, painting, repairs, additions, improvements, or other changes in the Leased Premises or to the building grounds or attach or affix thereto or build thereon, any article without the advance written consent of Lessor in each and every instance. Before any work is performed or any materials are delivered on the Leased Premises or in the buildings and grounds, Tenant shall comply with Lessor's requests for plans, specifications, names of contractors, necessary permits and indemnifications against liens,

costs, damages, and expenses of any kind and shall submit to Lessor's supervision of operations during construction.

Upon termination, Tenant shall remove all of its property including any fixtures installed by Tenant during the term of this Lease. Tenant shall repair all damages to the Leased Premises to the condition in which they were prior to the installation of the articles so removed.

## 7. MAINTENANCE AND REPAIRS

- A. Tenant's occupancy of the Leased Premises shall be deemed an acknowledgment by Tenant that the Leased Premises are in good and tenantable condition at the Commencement Date.
- B. Lessor agrees, at its expense, to maintain and keep in repair the Leased Premises during the term of this Lease, except for damages caused by Tenant, its agents, employees, visitors, licensees, contractors, or suppliers. There shall be no allowance to Tenant for a diminution of rental value and no liability on the part of the Lessor by reason of inconvenience, annoyance or injury to business arising from the making of any repairs in or to any portion of the Leased Premises or the buildings and grounds appurtenant thereto.
- C. Tenant shall take good care of the Leased Premises and the fixtures, appurtenances and equipment therein and, at its sole cost and expense, make such repairs thereto necessitated by the negligence of Tenant, its agents, employees, visitors, licensees, contractors or suppliers, or by the use of the Leased Premises in a manner contrary to the purposes for which same are leased to Tenant, and when needed to preserve them in good order and condition, reasonable wear and tear expected. All damage or injury to the Leased Premises (and to fixtures, appurtenances, and equipment therein) or to the building and grounds caused by Tenant, its agents, employees, visitors, licensees, contractors, or suppliers, moving, installing, or removing furniture, equipment, or other property in, within, or out of, the Leased Premises or building and grounds shall be repaired, restored, or replaced promptly by Tenant at its sole cost and expense, to the reasonable satisfaction of Lessor. All aforesaid repairs, restorations, and replacements shall conform to the standards of the architectural specifications. In the event Tenant shall fail to make such necessary repairs, restorations and replacements, structural, non-structural, or otherwise, any charge or cost so incurred by Lessor shall be paid by Tenant to Lessor as additional rent payable. This provision shall be construed as an additional remedy granted to Lessor and not in limitation of any other rights and remedies which Lessor has or may have in said circumstances.
- D. Both Lessor and Tenant agree to promptly address the other party's reasonable maintenance concerns.

## 8. FIXTURES

All fixtures, including flooring and permanent shelving installed by Tenant during the term of this Lease, whether on permanent foundation or in whatever manner affixed to the Leased Premises, shall be deemed to have attached to the Real Estate and to have become the property of the Lessor. Tenant shall remove any or all of such property if Lessor demands that Tenant effect such removal. In the event that such removal is demanded, Tenant shall repair all damages to the Leased Premises to the condition in which they were prior to the installation of the articles so removed.

## 9. INSURANCE AND INDEMNIFICATION

- A. Tenant agrees to keep and maintain during the entire term of this Lease and any extension or renewal thereof or holding over thereunder:
- (1) Comprehensive liability insurance on the Leased Premises covered hereunder, including parking and other common areas, to protect Tenant and Lessor against liability for personal and bodily injury, death and property damage (including water) with limits not less than Five Hundred Thousand Dollars (\$500,000.00) per occurrence.
  - (2) Fire liability insurance in the amount of at least Fifty Thousand Dollars (\$50,000) to cover replacement value of all of Tenant's property, fixtures and equipment located on the Leased Premises and of at least Fifty Thousand Dollars (\$50,000) to cover damage to other property caused by a fire started on Tenant's Leased Premises.
  - (3) Lessor shall be named as additional insured under any insurance policy of Tenant for liability arising from Tenant's use of the Leased Premises including the acts of guests, licensees, contractors, subtenants, trespassers, or others acting through or under them, which said policy shall be primary, and shall be provided a Certificate of Insurance evidencing such coverage and shall be notified not less than 10 days in advance of any cancellation of said insurance.
- B. Tenant will indemnify Lessor and save Lessor harmless from and against any claims in connection with any accident, injury or damage whatsoever caused to anyone or any property arising directly or indirectly out of Tenant's use of the leased premises including the acts of guests, licensees, contractors, servants, subtenants, trespassers, or others acting through or under them. The liability insurance referred to above shall include insurance of the contractual obligations of the Tenant set forth herein.

- C. Lessor will indemnify Tenant and save Tenant harmless from and against any claims in connection with any accident, injury or damage whatsoever caused to anyone or any property arising out of the common areas appurtenant to the Leased Premises and parking areas serving the West Virginia Wood Technology Center.

#### 10. DEFAULT

- A. Each of the following events, (hereinafter called "Event of Default"), shall be a default hereunder by Tenant and a breach of this Lease:
  - 1. If the Premises are vacated or abandoned by Tenant without notice.
  - 2. If Tenant shall assign, transfer, encumber, sublet or permit the use of the Leased Premises by others.
  - 3. If Tenant shall be adjudicated as bankrupt whether voluntarily or involuntarily, or make any general assignment for the benefit of any Insolvency, Receivership, or Bankruptcy Acts.
  - 4. If a receiver or trustee shall be appointed for, or to take possession of, all or a substantial part of the property of Tenant or Tenant's leasehold interest.
  - 5. If there be any attachment, execution, or other judicial seizure of all or a substantial part of the assets of Tenant or Tenant's leasehold, where such an attachment, execution or seizure is not discharged within thirty (30) days.
  - 6. If Tenant shall be in default of fulfilling any of the other covenants and conditions of this Lease and such default shall continue for thirty (30) days after written notice thereof from Lessor to Tenant.
- B. In the event of such Event of Default, Lessor has the right to enter upon the Leased Premises and again have, repossess, and enjoy the same as if this Lease had not been made, and thereupon this Lease shall terminate without prejudice, however, to the right of Lessor to retain from Tenant all rent and other sums unpaid up to the time of such re-entry.

#### 11. SIGNS

- A. Tenant is permitted to have a temporary sign placed at the entrance to the building.
- B. Other than the foregoing, Tenant shall not erect any sign in, on or about the Leased Premises and/or building and ground without prior written consent of Lessor. When such written consent has been obtained from Lessor, Tenant agrees and covenants that all such signs shall be in accordance with any industrial park covenants published by Lessor, applicable statutes, ordinances, codes, rules and/or regulations

of any governmental authority and that Tenant shall maintain such signs and keep the same in a good state of repair. Upon vacating the Leased Premises, Tenant agrees, at its expense, to remove all signs and to repair any and all damages caused by said removal.

12. SURRENDER

- A. Tenant covenants and agrees to deliver up and surrender to Lessor possession of the Leased Premises upon expiration of this Lease, including any extension thereof, broom clean and in as good condition as the same shall be at the commencement of the term of this Lease or may have been put during the tenancy, ordinary wear and tear and damage by fire or the elements expected.
- B. Lessor shall also have the right at any time during the last three months of any lease term, to enter upon the Leased Premises for the purpose of exhibiting the same to prospective tenants. Any entry upon the premises for the purpose of exhibiting the same shall not interfere with the normal business operations of the Tenant.

13. HOLDING OVER

If Tenant shall not immediately surrender possession of the Leased Premises at the termination of this Lease, Tenant shall become a Tenant from month to month, provided rent shall be paid to and accepted by Lessor, in advance, at twice the rate of basic monthly rent payable hereunder just prior to the termination of this Lease; but unless and until Lessor shall accept such double rent from Tenant, lessor shall continue to be entitled to retake or recover possession of the Leased Premises as here before provided in case of default on the part of Tenant, and Tenant shall be liable to Lessor for any loss or damage it may sustain by reason of Tenant's failure to surrender possession of the Leased Premises immediately upon the expiration of the term of this Lease.

14. ASSIGNMENT AND SUBLEASE

Tenant shall not assign, transfer, mortgage, or encumber this Lease. Tenant may not sublet any portion of the building it chooses without prior approval of the Lessor.

15. RIGHTS AND REMEDIES CUMULATIVE

The rights and remedies provided by this Lease are cumulative and the use of any right or remedy by either party shall not preclude or waive the right of either party to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute or ordinance or otherwise.

16. MISCELLANEOUS

- A. The term "Tenant" shall include legal representatives, successors and assigns. All covenants herein made binding upon Tenant shall be construed to be equally applicable to and binding upon its agents, employees and others claiming the right to be in the Leased Premises and in said building and grounds through or under Tenant.
- B. If more than one individual, firm, or corporation shall join as Tenant, singular context shall be construed to be the joint and several obligations of each party signing this lease as Tenant, and when the parties signing as Tenant are partners, this Lease shall be the obligation of their firm and of the individual members thereof.
- C. Feminine or neuter pronouns shall be substituted for those of the masculine form, and the plural shall be substituted for the singular, wherever the context shall require. It is also agreed that no specific words, phrases, or clauses herein used shall be taken or construed to control, limit or cut down the scope or meaning of any general words, phrases or clauses used in connection therewith.

17. NOTICE AND DEMANDS

- A. All notices required or permitted hereunder shall be deemed to have been given if mailed in any United States Post Office by certified or registered mail, postage prepaid, addressed to Lessor or Tenant, respectively, as follows:

LESSOR:            Randolph County Development Authority  
                         10 11<sup>th</sup> Street, Suite A  
                         Elkins, West Virginia 26241  
                         c/o Robert L. Morris, Jr., Executive Director

TENANT:            City of Elkins  
                         10 11<sup>th</sup> Street, Suite G  
                         Elkins, WV 26241  
                         c/o Chris Marshall, HR Director

- B. Tenant hereby elects domicile at the Leased Premises for the purpose of service of all notices, writs or summons, or other legal documents, or process, in any suit, action, or proceeding which Lessor may undertake under this Lease.

18. QUIET ENJOYMENT

Tenant covenants and agrees with Tenant that upon Tenant paying the rent and observing and performing all the terms, covenants and conditions, on Tenant's part to be

observed and performed, Tenant may peaceably and quietly enjoy the Leased Premises hereby demised, subject, nevertheless, to the terms and conditions of this Lease.

19. PROVISIONS BINDING

Except as herein otherwise provided, the terms and provisions hereof shall be binding upon and shall inure to the benefit of the heirs, executors, administrators, and successors, respectively, of Lessor and Tenant.

20. CAPTIONS OF ARTICLES

The captions of the articles throughout this Lease are for convenience and reference only, and the words contained therein shall be in no way held to explain, modify, amplify, or aid in the interpretation, construction, or meaning of the provisions of this instrument.

21. GOVERNING LAW

This Lease shall be construed and governed by the laws of the State of West Virginia. Should any provision of the Lease and/or its conditions be illegal or not enforceable under the laws of said State, it or they shall be considered severable, and the Lease and its conditions shall remain in force and be binding upon the Parties as though the said provisions had never been included.

22. ENTIRE AGREEMENT

This writing contains the entire agreement between the parties hereto and no agent, representative, or officer of Lessor hereto has the authority to make or has made any statement, agreement, or representation, either oral or written, in connection therewith, modifying, adding or changing the terms and conditions herein set forth. No dealings between the parties or customs shall be permitted to constitute additions or to modify the terms hereof. No modifications of this Lease shall be binding unless such modifications shall be in writing and signed by the parties hereto.

IN WITNESS HEREOF, and intending to be legally bound hereby, the parties have set their hands and seals to this Lease this \_\_\_\_\_ day of \_\_\_\_\_, 2025.

**A RESOLUTION OF COMMON COUNCIL**

(#1838)

May 15, 2025

---

***Authorizing The City Treasurer To Obtain A Temporary Construction Loan From Mountain Valley Bank For The City Hall Renovation Project***

---

**WHEREAS**, the City of Elkins (“City”) is undertaking a renovation of City Hall to improve functionality, safety, and accessibility; and

**WHEREAS**, it is necessary for the City to secure interim financing in the form of a temporary construction loan to cover ongoing construction costs until permanent financing or reimbursement funding is received; and

**WHEREAS**, Mountain Valley Bank has offered to provide such a temporary construction loan to the City under the terms described in a written communication, which shall be attached to and made a part of the official record of this resolution;

**NOW, THEREFORE, BE IT RESOLVED:**

1. That the City Treasurer is hereby authorized and directed to obtain a temporary construction loan from Mountain Valley Bank for the purpose of funding construction costs related to the City Hall Renovation Project under the terms outlined in the attached email;
2. That the City Treasurer is further authorized to execute any and all documents necessary to complete the loan transaction in accordance with the terms described;
3. That all prior acts taken in furtherance of obtaining said loan are hereby ratified and confirmed.

Good afternoon, Tracy,

As we discussed briefly by phone, I am very pleased to let you know that, this morning, our Board of Directors approved the City's request for a construction line of credit in the amount of \$4,108,000. The line of credit has an approved interest rate of 5% with interest only payments due monthly. The line of credit will require an "as-if completed" appraisal on city hall and a final take-out commitment from Fahe.

Mountain Valley Bank is very pleased to have this opportunity to serve the City of Elkins on this most important project for our city and the entire community. Should you have any additional questions or if we can be of further service, please don't hesitate to let me know.

Thank you,

Doug

RE: HRIS Implementation Proposal Overview

## Purpose

To present a proposal for implementing a Human Resources Information System (HRIS) to modernize the City's HR operations, enhance compliance, and improve employee services.

## Background

The City's HR Department currently manages employee data, benefits, and compliance through manual processes and disparate systems. This approach leads to inefficiencies, increased risk of errors, and challenges in maintaining compliance with labor regulations.

## Proposal Summary

The recommended solution is NEOGOV HRIS, a platform designed specifically for public sector agencies. Key features include:

- Integrated HR Functions: Combines core HR, payroll, benefits, and time & attendance into a single system, reducing manual data entry and errors.
- Employee Self-Service: Empowers employees to access and update their information, request time off, and view pay stubs, enhancing transparency and satisfaction.
- Compliance Management: Automates tracking of certifications, training, and policy acknowledgments, aiding in meeting regulatory requirements.
- Data Consolidation: Centralizes employee information, facilitating accurate reporting and informed decision-making.

## Financial Overview

- Total 3-Year Investment: \$246,811.50
- Year 1 Cost: \$72,800.50 (includes implementation and subscription)
- Year 2 Cost: \$ 75, 248.00 (Annual Subscription)
- Year 3 Cost: \$98, 763.00 (Annual Subscription)
- Projected Annual Savings: \$105,000–\$116,000
- Return on Investment: Expected within 12–18 months

## Benefits to the City

Implementing a modern HRIS will bring widespread benefits to the City of Elkins across compliance, operations, workforce management, and employee engagement:

- **Operational Efficiency:** Automates routine HR functions such as onboarding, timekeeping, evaluations, and benefit elections reducing errors, delays, and the administrative burden on HR and departmental supervisors.
- **Risk Reduction & Legal Protection:** Helps the City remain compliant with FLSA, FMLA, ACA, EEO, and HIPAA regulations by ensuring accurate, real-time data tracking, secure documentation, and audit-ready reporting.
- **Financial Stewardship:** Enables the City to avoid unnecessary spending on legal claims, redundant manual tasks, and inefficiencies. With projected savings of over \$100,000 annually, the system pays for itself within 12–18 months.
- **Employee Empowerment & Transparency:** Provides self-service tools so employees can access pay stubs, update benefits, request time off, and view policies 24/7 improving trust and reducing the need for HR intervention on routine tasks.
- **Improved Recruitment and Retention:** Positions the City to better compete for qualified talent by offering a more modern, applicant-friendly system and supporting structured performance feedback and development tools.
- **Workforce Planning & Data-Driven Leadership:** Centralized analytics and dashboards allow department heads and leadership to better track trends in turnover, attendance, and engagement supporting more informed budgeting and staffing decisions.
- **Supports Departmental Coordination:** Streamlined communication between HR, Treasury, IT, and department managers ensures timely onboarding, equipment setup, payroll alignment, and policy distribution across the organization.
- **Future-Proofing HR Infrastructure:** Prepares the City to meet evolving workforce and regulatory demands by investing in scalable, secure technology that can adapt as needs grow.

## Recommendation

Approval is sought to proceed with the implementation of NEOGOV HRIS within the next 12 months. This investment aligns with the City's goals of enhancing operational efficiency, ensuring compliance, and improving employee services.

This foundational investment ensures Elkins continues to meet the needs of its workforce with integrity, efficiency, and foresight.

**COOPERATIVE SERVICE AGREEMENT**  
**between**  
**CITY OF ELKINS (Cooperator)**  
**and**  
**UNITED STATES DEPARTMENT OF AGRICULTURE**  
**ANIMAL AND PLANT HEALTH INSPECTION SERVICE (APHIS)**  
**WILDLIFE SERVICES (WS)**

**ARTICLE 1**

The purpose of this agreement is to cooperate in a wildlife damage management project as described in the attached Work Plan.

**ARTICLE 2**

APHIS-WS has statutory authority under the Acts of March 2, 1931, 46 Stat. 1468-69, 7 U.S.C. §§ 8351-8352, as amended, and December 22, 1987, Public Law No. 100-202, § 101(k), 101 Stat. 1329-331, 7 U.S.C. § 8353. , to cooperate with States, local jurisdictions, individuals, public and private agencies, organizations, and institutions while conducting a program of wildlife services involving mammal and bird species that are reservoirs for zoonotic diseases, or animal species that are injurious and/or a nuisance to, among other things, agriculture, horticulture, forestry, animal husbandry, wildlife, and human health and safety.

**ARTICLE 3**

APHIS-WS and the Cooperator agree:

1. The Cooperator will provide payment upon receipt of quarterly bill to "USDA, APHIS". The combined total for this agreement is not to exceed **\$2,699**.
2. The performance of wildlife damage management actions by APHIS-WS under this agreement is contingent upon a determination by APHIS-WS that such actions are in compliance with the National Environmental Policy Act, Endangered Species Act, and any other applicable federal statutes. APHIS-WS will not make a final decision to conduct requested wildlife damage management actions until it has made the determination of such compliance.
3. Nothing in this agreement shall prevent APHIS-WS from entering into separate agreements with any other organization or individual for the purpose of providing wildlife damage management services exclusive of those provided for under this agreement.
4. The Cooperator certifies that APHIS-WS has advised the Cooperator there may be private sector service providers available to provide wildlife damage management services that the Cooperator is seeking from APHIS-WS.
5. The cooperating parties agree to coordinate with each other before responding to media requests on work associated with this project.

**ARTICLE 4**

This agreement is contingent upon the passage by Congress of an appropriation from which expenditures may be legally met and shall not obligate APHIS-WS upon failure of Congress to so appropriate. This agreement also may be reduced or terminated if Congress only provides APHIS-WS funds for a finite period under a Continuing Resolution.

**ARTICLE 5**

Pursuant to Section 22, Title 41, United States Code, no member of or delegate to Congress shall be admitted to any share or part of this agreement or to any benefit to arise there from.

**ARTICLE 6**

APHIS-WS assumes no liability for any actions or activities conducted under this agreement except to the extent that recourse or remedies are provided by Congress under the Federal Tort Claims Act (28 USC 1346(b), 2401(b), 2671-2680).

This agreement is not a procurement contract (31 U.S.C. 6303), nor is it considered a grant (31 U.S.C. 6304). In this agreement, APHIS-WS provides goods or services on a cost recovery basis to nonfederal recipients, in accordance with all applicable laws, regulations and policies.

This agreement shall become effective July 01, 2025 and shall continue until June 30, 2026. This agreement may be amended or terminated at any time by mutual agreement of the parties in writing. Further, in the event the Cooperator does not, for any reason, provide necessary funds, APHIS-WS is relieved of the obligation to provide services under this agreement.

## WORK PLAN

Wildlife Species: Feral pigeons

Description of Damage: Human health and safety, property damage due to feral pigeon droppings.

Location: Elkins, Randolph County, West Virginia

Services Provided: WS will provide a feral pigeon damage management program to minimize the damage to property and reduce the risk to human health and safety created by pigeons. WS will use decoy traps and the restricted use avicide, DRC-1339 Concentrate to minimize the pigeon population. WS will recover all carcasses following an application of DRC-1339 prior to sunrise the following morning. Traps will be monitored regularly to ensure humane treatment of all captive pigeons. All recovered carcasses will be removed from the site and disposed of via deep burial. The above WS activities will be fully coordinated and approved by the West Virginia Division of Natural Resources prior to any operational activities.

## **CONTRACT**

This Contract dated this 15<sup>th</sup> day of May 2025 between the City of Elkins, West Virginia, a municipality, (“City), and Delmonte Market dba Tammy’s Floral, (“Contractor”).

Whereas the City is desirous of retaining the services of Delmonte Market dba Tammy’s Floral.

In consideration of the promises and mutual covenants herein contained, it is hereby agreed that the Contractor shall provide to the City all services requested under the Scope of Work Proposal (attached) and pursuant to the terms and conditions of this Contract.

### **ARTICLE 1. SERVICES OF THE CONTRACTOR.**

The Contractor shall provide all goods and services as stated in the Proposal Documents and the Scope of Work referenced therein, which are incorporated herein by reference, in accordance with the Contractor’s Scope of Work Proposal to that degree of care and skill ordinarily exercised, under similar circumstances, by reputable members of its profession practicing in the same or similar locality at the time the Work is provided. The total compensation for all goods and services referred to in the Scope of Work Proposal is \$24,114.00.

### **ARTICLE 2. TERM/COMMENCEMENT DATE**

This contract shall become effective May 15, 2025, and shall remain in effect until November 30, 2025, unless earlier terminated in accordance with Article 8. Any variation to the terms and conditions set forth herein shall be in writing and signed by both parties.

### **ARTICLE 3. CITY’S REPRESENTATIVE.**

Unless otherwise specified by the City, the City’s representative shall be Mike Kesecker, Operations Manager.

#### **ARTICLE 4. COMPENSATION**

A. Generally – The City agrees to compensate the Contractor in accordance with the Scope of Work Proposal submitted by the Contractor. Contractor's Scope of Work Proposal is incorporated herein by reference. The total and cumulative amount of this contract shall not exceed the amount of funds budgeted for these services nor shall said fees exceed the amounts as set forth in the Scope of Work Proposal.

B. Payments – Invoices received from the Contractor pursuant to this Contract will be sent to the Treasurer's Office for payment. Contractor will invoice the City for each payment period.

#### **ARTICLE 5. INDEMNIFICATION**

A. To the fullest extent permitted by applicable laws and regulations, the Contractor shall indemnify and save harmless and defend the City, its officials, agents, servants, and employees from and against any and all claims, liability, losses, and/or causes of action arising out of or in any way related to the services furnished by the Contractor pursuant to this Contract, including, but not limited to, those caused by or arising out of any act, omission, negligence or default of the Contractor and/or its subcontractors, agents, servants or employees.

#### **ARTICLE 6. PERSONNEL.**

A. The Contractor represents that it has, or will secure at its own expense, all necessary personnel required to perform the Work under this Contract. Such personnel shall not be employees of or have any contractual relationship with the City.

B. All the Work required hereunder shall be performed by the Contractor or under its supervision, and all personnel engaged in performing the Work shall be fully qualified and, if required, authorized, or permitted under state and local law to perform such Work.

## **ARTICLE 7. INSURANCE**

A. Prior to execution of this Contract by the City the Contractor shall provide certificates evidencing insurance coverage as required hereunder. The Certificates shall clearly indicate that the Contractor has obtained insurance of the type, amount, and classification as required for strict compliance with this Article and that no material change, or cancellation of the insurance shall be effective without thirty (30) days prior written notice to the City's representative. Compliance with the foregoing requirements shall not relieve the Contractor of its liability and obligations under this Contract.

B. The Contractor shall maintain, during the life of this Contract, Commercial General Liability insurance in the amount of \$1,000,000 in aggregate to protect the Contractor from claims for damages for bodily and personal injury, including wrongful death, as well as from claims of property damages which may arise from any operations under this Contract, whether such operations be by the Contractor or by anyone directly employed by or contracting with the Contractor.

C. The Contractor shall maintain, during the life of this Contract, comprehensive automobile liability insurance in the minimum amount of \$1,000,000 combined single limit for bodily injury and property damages liability to protect the Contractor from claims for damages for bodily and personal injury,

including death, as well as from claims for property damage, which may arise from the ownership, use, or maintenance of owned and non-owned automobiles, including rented automobiles whether such operations be by the Contractor or by anyone directly or indirectly employed by the Contractor.

D. The Contractor shall carry Workers' Compensation Insurance and Employer's Liability Insurance for all employees as required by West Virginia law.

E. All insurance, other than Workers' Compensation, to be maintained by the Contractor shall specifically include the City as an "**Additional Insured.**"

#### **ARTICLE 8. TERMINATION AND RENEWALS.**

Either party may terminate this Contract upon sixty (60) days written notice to the other party. Upon mutual agreement, the Contract can be extended for another year for an amount to be determined.

#### **ARTICLE 9. INDEPENDENT CONTRACTOR RELATIONSHIP**

A. The Contractor is, and shall be, in the performance of all work, services and/or activities under this Contract, an Independent Contractor, and not an employee, agent, or servant of the City. All persons engaged in any of the work, services and/or activities performed pursuant to this Contract shall at all times, and in all places, be subject to the Contractor's sole direction, supervision, and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees, agents, or servants to the City shall be that of an Independent Contractor and not as employees or agents of the City.

B. The Contractor does not have the power or authority to bind the City in any promise, agreement or representation other than as specifically provided for in this agreement.

#### **ARTICLE 10. SEVERABILITY**

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, to remainder of this Contract, or the application of such terms or provision, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

#### **ARTICLE 11. NOTICE**

All notices required in this Contract shall be sent by mail, return receipt requested, and if sent to the City shall be mailed to:

City of Elkins  
401 Davis Avenue  
Elkins, WV 26241

And if sent to the Contractor shall be mailed to:

Delmonte Market dba Tammy's Floral  
316 Railroad Avenue  
Elkins, WV 26241

#### **ARTICLE 12. ENTIRETY OF CONTRACTUAL AGREEMENT**

The City and the Contractor agree that this Contract sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this

Contract may be added to, modified, superseded, or otherwise altered, except by  
written instrument executed by the parties hereto.

**IN THE COMMON COUNCIL OF THE CITY OF ELKINS, WV**

**A RESOLUTION OF COMMON COUNCIL**

(#1843)  
May 15, 2025

---

***Authorizing A Donation Toward The Construction Of A Gold Star Families  
Memorial Monument At All Veterans Park In Elkins***

---

**WHEREAS**, Gold Star Families Memorial Monuments are permanent tributes established to honor the families of servicemen and servicewomen who have made the ultimate sacrifice in defense of the United States of America; and

**WHEREAS**, this monument program was originally launched by Medal of Honor Recipient Hershel “Woody” Williams to recognize and preserve the memory of fallen service members by honoring their families who continue to endure their loss; and

**WHEREAS**, these monuments serve as lasting symbols of gratitude, remembrance, and community respect for the bravery and sacrifice made by our nation’s military personnel and their loved ones; and

**WHEREAS**, a Gold Star Families Memorial Monument is planned for installation at All Veterans Park in Elkins, West Virginia, providing the residents of Elkins and surrounding communities a solemn and respectful place to reflect, remember, and honor those who have given all; and

**WHEREAS**, the Rotary Club of Elkins has undertaken a leading role in the planning, fundraising, and community engagement necessary to bring this important project to fruition; and

**WHEREAS**, the District Governor of Rotary Club District 7545, J. Dan McCarthy, has pledged to personally match a \$500 donation by the City of Elkins toward this project, for a total donation of \$1,000, making the City of Elkins a Bronze Donor; and

**WHEREAS**, the Common Council of the City of Elkins desires to express its support for the monument project and its appreciation for the sacrifices made by Gold Star Families;

**NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF ELKINS, WEST VIRGINIA:**

1. That the City of Elkins hereby authorizes a donation of five hundred dollars (\$500) to support the construction of the Gold Star Families Memorial Monument at All Veterans Park in Elkins;
2. That this donation be made in recognition of the enduring gratitude owed to the families of fallen servicemembers, and as a sign of the City’s commitment to honoring their sacrifice;

3. That the Common Council commends the Rotary Club of Elkins for its leadership, vision, and dedication in spearheading this meaningful project;
4. That a copy of this resolution be forwarded to the Rotary Club of Elkins as an expression of the City's appreciation and support.

| <b>Summary:</b>          | <p>The City Treasurer proposes postponing the June 5 council meeting to June 12. This is to allow maximum time to prepare but still enable timely submission of the final FY 2025 SAO budget revision, which is due to the state auditor no later than June 15.</p> <p>If the June 5 meeting is postponed to June 12, it may also make sense to postpone the June 19 council meeting to June 26.</p> |
